PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 242A to
Coalgate, Oklahoma as that community's first competing FM
service.¹ Coalgate is an incorporated community with a
population of 2,005 people.² Coalgate has its own mayor,
its own schools, fire department, police department, post
office, Library and a number of local churches. Coalgate
is a community that is certainly deserving of a competing
FM service. The proposed channel 242A will provide

additional diversity and an outlet for local self-expression to Coalgate residents and therefore is in the public interest.

Should this petition be granted and Channel 242A is allotted to Coalgate, Oklahoma, Petitioner will apply for Channel 242A at Coalgate and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
